

the exuberant garden

CREATING JOYOUS SPACES

A Symposium and Silent Auction | Saturday, February 27, 2010

THE EXUBERANT GARDEN is a place where the joy of creating a beautiful space mingles with the satisfaction of realizing the fruits of your labor. Both novice and experienced gardeners will discover new ways of thinking about garden style, form, ornament, and care. Come away with fresh, surprising and attainable ideas for making your enthusiastic gardening dreams come true. Gardening with exuberance is possible for everyone!
